

Reopening of academic offline activities at schools and colleges of SIGMA GROUP

Following the COVID guidelines dedicatedly, as per the instructions of Gujarat Government Education Department, SIGMA Group reopened its schools for students from Grade 10 and 12 along with its relevant colleges from 11 January 2021.

Managing Trustee of SIGMA Group, Dr. Harsh Shah handed over welcome kits comprising of Immunity Booster Dose provided by SIGMA Homeopathy Research Centre & Hospital, a Face Mask and Hand Sanitizer to each student. The students were also given free consultation by the Medical team of Hospital.

While Yanshy High School and Sharda Memorial High School of SIGMA Family also followed the guidelines effectively and reopened its academic activities. The school academic staff took an innovative initiative of open classrooms and had arranged the benches in covered assembly area.

Students at both Colleges and Schools were highly motivated, Felt Safe and happy with the arrangements made by Management and restarted their regular academic schedules after 9 months. They were also briefed in detail about the guidelines to follow and all safety precautions were implemented in view of health safety of all at the campuses. SIGMA remains committed to win over the pandemic.
