Dr. Priyesh Gandhi obtained Ph.D in Engineering & Technology (VLSI Design) and M. Tech - Electronics & Communication (VLSI Design- Gold Medalist) from Institute of Technology, Nirma University, Ahmedabad and B. E. Electronics & Communication from Government Engineering College, Modasa.

Dr. Priyesh Gandhi is presently spearheading Sigma Institute of Engineering, Vadodara (Gujarat, India) as the Principal. He is an enthusiastic and self-motivated engineering educator with adaptive styles of teaching, research experience, rich depth and breadth of knowledge and excellent communication & interpersonal skills. As a champion of both administrative and academic excellence, Dr. Priyesh Gandhi is continually reforming engineering education.

He has received “Visionary Leader of the Year 2019” and “Exemplary Academic Leader of the Year 2019” awards by CEGR.

He is an academician having more than 16 years of experience. He is working as reviewer for many reputed journals and conferences. He has delivered many expert talks at various State/National Workshops and STTPs on VLSI Design, DSP, Embedded Systems, Interpersonal Skills, and Life Skills etc.

He has published/presented more than 60 papers in International Journals and Conferences.

He is also Chartered Engineer certified by Institute of Engineers, India. He is also member of IEEE, IE, IETE, ISTE, IACSIT, IAENG, ISETF, ISTD and CEGR.
